

With Central New York now beginning to open, we wanted to let you know that **WE ARE OPEN** as well!

All of our locations are open with normal business hours. We are so happy to once again be able to meet all of your eye care needs, and we look forward to seeing you soon.

SYRACUSE CONTACT LENS PATIENTS: In an effort to shorten your wait time when picking up your contact lenses, we ask that you pick them up during our last hour of business each day.

Thank you so much for the understanding and patience you extended to us during this national crisis. The loyalty, trust, and support you have given us during this time and over the years is very much appreciated. We look forward to seeing you again in the near future and taking care of all of your eye health needs.

Sincerely,

Dr. Bruce Levinson
Dr. Joseph DiTota
